

President Russell M. Nelson

The end for which each of us strives is to be endowed with power in a house of the Lord, sealed as families, faithful to covenants made in a temple that qualify us for the greatest gift of God — that of eternal life. The ordinances of the temple and the covenants you make there are key to strengthening your life, your marriage and family, and your ability to resist the attacks of the adversary. Your worship in the temple and your service there for your ancestors will bless you with increased personal revelation and peace and will fortify your commitment to stay on the covenant path.

(Delivered on January 16, 2018, during a live broadcast from the annex of the Salt Lake Temple)
